DEFENDER D200

D200, A DIFFERENZA DELLA VERSIONE BASE D100, INSERISCE IL CONCETTO DI DECORI -RIGOROSAMENTE FISSATI CON GRANO (NELLA VERSIONE CON BARRA TONDA) E SALDATI (NELLA VERSIONE CON BARRA QUADRATA). D200 È PER CHI AMA UNO STILE PIÙ CLASSICO

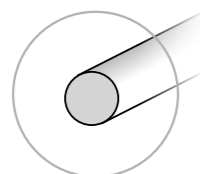

D200, contrairement à la version de base D100, introduit le concept des décorations - strictement fixées avec du fil (dans la version avec barre ronde) et soudées (dans la version avec barre carrée). D200 est pour ceux qui aiment un style plus classique.

DEFENDER D300

CON D300, DISALLINEANDO LE BARRE ORIZZONTALI, SI OTTIENE UN OTTIMO COMPROMESSO FRA STILE CLASSICO E CONTEMPORANEO.
COMPROMESSO ANCOR PIÙ APPREZZABILE NELLA VERSIONE A DOPPIO SNODO.

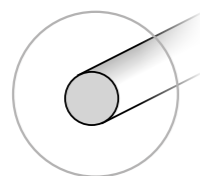

Avec le D300, en déplaçant les barres horizontales, on obtient un excellent compromis entre style classique et contemporain. Compromis encore plus appréciable dans la version à double articulation.
